Dear Mr. Weilgart:

It was a pleasure meeting you and having an opportunity to review your dictionary index. Since we are always searching for methods to increase student interest in developing good dictionary habits, I was excited to have a chance to see what you are doing.

It seems to me that given reasonable pricing, these dictionaries would be an excellent addition to any educational program.

I am looking forward to seeing them available for school use.

Sincerely,

A handwritten signature in cursive script that reads "Donna Taigen".
